Per G.S.SINGHVI, CJ

In this petition, the petitioner has prayed for quashing orders dated 23.12.2005 and 28.09.2006 passed by Andhra Pradesh Pollution Control Board and Appellate Authority constituted under Water (Prevention and Control of Pollution) Act, 1974 and Air (Prevention and Control of Pollution) Act, 1981.

Although no one has appeared for the petitioner, we do not consider it necessary to defer the adjudication of the writ petition because, learned counsel for respondent No.6 who is the owner of the premises of the petitioner mill says that the lessee has vacated the possession and handed over the same to his client. He further gave out that his client will not undertake any industrial operation in the premises where the mill was being operated.

In view of the statement made by learned counsel for respondent No.6, the writ petition is disposed of as infructuous.

As a sequel to disposal of the writ petition, W.P.M.P.No.32560 of 2006 filed by the petitioner for interim relief is also disposed of as infructuous.
